U. OBSERVATIONS WHERE CERTAIN CLAIMS WERE FOUND UNSEARCHABLE This international search report has not been established in respect of certain claims under Article 17(2) (a) for the following reasons: Claim numbers because they relate to authent matter (1) not required to be searched by this Authority, nemely. Claim numbers because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out (1), specify ally. Claim numbers because they are dependent claims not drafted in accordance with the second and third sentences of PCT Rule 6.4(a). VI. OBSERVATIONS WHERE UNITY OF INVENTION IS LACKING. This international Searching Authority found multiple inventions in this international application as follows: 1. As all reduced additional search fees were timely paid by the applicant, this international search report covers all searchable claims of the international application for which fees were paid, specifically claims. 3. No required additional search fees were timely paid by the applicant. This international search report covers only those claims of the international application for which fees were paid, specifically claims: 3. No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mensioned in the claims; it is covered by claim incrnational search report is restricted to the invention first mensioned without effort justifying an additional fee, the international Search At thority did not enough payment or any additional fee. Remark on protest: The additional search fees were accompanied by applicant's protest.		and Sons (NY), see pages 35-54.	
V. OBSERVATIONS WHERE CERTAIN CLAIMS WERE FOUND UNSEARCHABLE 4. This international search report has not been established in respect of certain claims under Article 17(2) (a) for the following reasons: 1. Claim numbers _ because they relate to subject matter (1) not required to be searched by this Authority, he international presents of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out (1), specife ally: 3. Claim numbers _ because they are dependent claims not drafted in accordance with the second and third senter cas of PCT Rule 6.4(a). VI. OBSERVATIONS WHERE UNITY OF INVENTION IS LACKING This international Searching Authority found multiple inventions in this international application as follows: 1. As all reduced additional search fees were timely paid by the applicant, this international search report covers all searchable claims of the extensional application for which fees were paid, specifically claims: 3. No required additional search fees were timely paid by the applicant, this international search report covers only those claims of the international application for which fees were paid, specifically claims: 3. No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the international search fees were timely paid by the applicant. Consequently, this international search report is restricted to the international search without effort justifying an additional fee, the international Search At thority did not invite payment or any additional fee. Remark on protest: The additional search fees were accompanied by applicant's protest.		May 1988 See entire	6
This international search report has not been established in respect of cartain claims under Article 17(2) (a) for the following reasons. This international search report has not been established in respect of cartain claims under Article 17(2) (a) for the following reasons. Claim numbers _, because they relate to subject matter (1) not required to be searched by this Authority, naively. Claim numbers _, because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out (1), specific ally. Claim numbers _, because they are dependent claims not drafted in accordance with the second and third senter cas of PCT Rule 6.4(a). VI OBSERVATIONS WHERE UNITY OF INVENTION IS LACKING 2 This international Searching Authority found multiple inventions in this international application as follows: 1 As all inclured additional search fees were timely paid by the applicant, this international search report covers all searchable claims of the international application for which fees were paid, specifically claims: 3 As only some of the inequired additional search fees were timely paid by the applicant, this international search report covers only those claims of the international search fees were timely paid by the applicant. This international search report covers only those claims of the international search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first maristoned in the claims; it is covered by claim numbers: 4 As all searchable claims could be searched without effort justifying an additional fee, the international Search As thority did not envite payment of any additional fee. Remark on protest: The additional search fees were accompanied by applicant's protest.	¥	US, A. 4,748,156 (Aoki et al., 31 May 1900, 200 and	•
Trus international search report has not been established in respect of certain claims under Article 17(2) (a) for the disconsisting of the international application that do not comply with the presented requirements to such an extent that no meaningful international search can be carried out (1), specifically: 3. Claim numbers because they relate to parts of the international application that do not comply with the presented requirements to such an extent that no meaningful international search can be carried out (1), specifically: 3. Claim numbers because they are dependent claims not directed in accordance with the second and third sentences of PCT Rule 6.4(a). VI. OBSERVATIONS WHERE UNITY OF INVENTION IS LACKING ² This international Searching Authority found multiple inventions in this international application as follows: 1. As ail required additional search fees were timely paid by the applicant, this international search report covers all searchable claims of the international application for which fees were paid, specifically claims: 3. No required additional search fees were timely paid by the applicant. Consequently, this international search report covers only those claims of the international search fees were timely paid by the applicant. Consequently, this international search report covers only those claims outdoors the extensional in the claims; it is covered by claim numbers: 4. As all searchable claims could be searched without effort justifying an additional fee, the international Search As thority did not invite payment of any additional fee. Remarks on protest The additional search fees were accompanied by applicant's protest.	_

The additional search fees were accompanied by applicant's protest. 	V1. L	found emitting inventions in this international application as follow	s:
2. As only some of the required additional search fees were timely paid by the applicant, this international search re-port covers only those claims of the international application for which fees were paid, specifically claims: 3. No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claim numbers: 4. As all searchable claims could be searched without effort justifying an additional fee, the International Search At thority did not invite payment of any additional fee. Remark on protest The additional search fees were accompanied by applicant's protest.	This Inte	mational Searching Authority found multiple inventions in this searching	•
2. As only some of the required additional search fees were timely paid by the applicant, this international search re-port covers only those claims of the international application for which fees were paid, specifically claims: 3. No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claim numbers: 4. As all searchable claims could be searched without effort justifying an additional fee, the International Search At thority did not invite payment of any additional fee. Remark on protest The additional search fees were accompanied by applicant's protest.	İ		,
2. As only some of the required additional search fees were timely paid by the applicant, this international search re-port covers only those claims of the international application for which fees were paid, specifically claims: 3. No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claim numbers: 4. As all searchable claims could be searched without effort justifying an additional fee, the International Search At thority did not invite payment of any additional fee. Remark on protest The additional search fees were accompanied by applicant's protest.			
2. As only some of the required additional search fees were timely paid by the applicant, this international search re-port covers only those claims of the international application for which fees were paid, specifically claims: 3. No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claim numbers: 4. As all searchable claims could be searched without effort justifying an additional fee, the International Search At thority did not invite payment of any additional fee. Remark on protest The additional search fees were accompanied by applicant's protest.			u u
2. As only some of the required additional search fees were timely paid by the applicant, this international search re-port covers only those claims of the international application for which fees were paid, specifically claims: 3. No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claim numbers: 4. As all searchable claims could be searched without effort justifying an additional fee, the International Search At thority did not invite payment of any additional fee. Remark on protest The additional search fees were accompanied by applicant's protest.			-
2. As only some of the required additional search fees were timely paid by the applicant, this international search re-port covers only those claims of the international application for which fees were paid, specifically claims: 3. No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claim numbers: 4. As all searchable claims could be searched without effort justifying an additional fee, the International Search At thority did not invite payment of any additional fee. Remark on protest The additional search fees were accompanied by applicant's protest.			<u>-</u>
2. As only some of the required additional search fees were timely paid by the applicant, this international search re-port covers only those claims of the international application for which fees were paid, specifically claims: 3. No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claim numbers: 4. As all searchable claims could be searched without effort justifying an additional fee, the International Search At thority did not invite payment of any additional fee. Remark on protest The additional search fees were accompanied by applicant's protest.		record described as a second record	covers all searchable
3. No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claim numbers: 4. As all searchable claims could be searched without effort justifying an additional fee, the International Search At thority did not invite payment of any additional fee. Remark on protest The additional search fees were accompanied by applicant's protest.	1. \(\sigma \)	s all required additional search fees were timely paid by the applicant, this international search report	covers all searchable.
3. No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claim numbers: 4. As all searchable claims could be searched without effort justifying an additional fee, the International Search At thority did not invite payment of any additional fee. Remark on protest The additional search fees were accompanied by applicant's protest.			
4. As all searchable claims could be searched without effort justifying an additional fee, the International Search At thority did not invite payment of any additional fee. Remark on protest The additional search fees were accompanied by applicant's protest.		laims of the international apparation.	
4. As all searchable claims could be searched without effort justifying an additional fee, the International Search At thority did not invite payment of any additional fee. Remark on protest The additional search fees were accompanied by applicant's protest.		laims of the international apparation.	
4. As all searchable claims could be searched without effort justifying an additional fee, the International Search At thority did not invite payment of any additional fee. Remark on protest The additional search fees were accompanied by applicant's protest.		laims of the international apparation.	
4. As all searchable claims could be searched without effort justifying an additional fee, the International Search At thority did not invite payment of any additional fee. Remark on protest The additional search fees were accompanied by applicant's protest.	2.	claims of the international application. s only some of the required additional search fees were timely paid by the applicant, this internations only some of the international application for which fees were paid, specifically claims: only those claims of the international application for which fees were paid, specifically claims:	al search report covers
Remark on protest The additional search fees were accompanied by applicant's protest.	-2.	s only some of the required additional search fees were timely paid by the applicant, this internations only some of the required additional search fees were timely paid by the applicant, this international application for which fees were paid, specifically claims: only those claims of the international application for which fees were paid, specifically claims:	al search report covers
Remark on protest The additional search fees were accompanied by applicant's protest.	-2.	s only some of the required additional search fees were timely paid by the applicant, this internations only some of the required additional search fees were timely paid by the applicant, this international application for which fees were paid, specifically claims: only those claims of the international application for which fees were paid, specifically claims:	al search report covers
Remark on protest The additional search fees were accompanied by applicant's protest.	-2.	s only some of the required additional search fees were timely paid by the applicant, this internations only some of the required additional search fees were timely paid by the applicant, this international application for which fees were paid, specifically claims: only those claims of the international application for which fees were paid, specifically claims:	al search report covers
Remark on protest The additional search fees were accompanied by applicant's protest.	2.	s only some of the required additional search fees were timely paid by the applicant, this internations only those claims of the international application for which fees were paid, specifically claims: o required additional search fees were timely paid by the applicant. Consequently, this international astricted to the invention first mentioned in the claims; it is covered by claim numbers:	al search report covers
The additional search fees were accompanied by applicant's protest.	2.	s only some of the required additional search fees were timely paid by the applicant, this international sonly those claims of the international application for which fees were paid, specifically claims: o required additional search fees were timely paid by the applicant. Consequently, this international astricted to the invention first mentioned in the claims; it is covered by claim numbers:	al search report covers
The additional search fees were accompanied by applicant's protest. No protest accompanied the payment of additional search fees.	2.	s only some of the required additional search fees were timely paid by the applicant, this international sonly those claims of the international application for which fees were paid, specifically claims: o required additional search fees were timely paid by the applicant. Consequently, this international astricted to the invention first mentioned in the claims; it is covered by claim numbers:	al search report covers
No protest accompanied the payment of additional search fees.	2.	s only some of the required additional search fees were timely paid by the applicant, this international solid those claims of the international application for which fees were paid, specifically claims: o required additional search fees were timely paid by the applicant. Consequently, this international estricted to the invention first mentioned in the claims; it is covered by claim numbers: as all searchable claims could be searched without effort justifying an additional fee, the international not invite payment of any additional fee.	al search report covers
L No process accompanies and payment	2.	s only some of the required additional search fees were timely paid by the applicant, this international solid those claims of the international application for which fees were paid, specifically claims: o required additional search fees were timely paid by the applicant. Consequently, this international estricted to the invention first mentioned in the claims; it is covered by claim numbers: as all searchable claims could be searched without effort justifying an additional fee, the international not invite payment of any additional fee.	al search report covers
	2.	s only some of the required additional search fees were timely paid by the applicant, this international sonly those claims of the international application for which fees were paid, specifically claims: o required additional search fees were timely paid by the applicant. Consequently, this international astricted to the invention first mentioned in the claims; it is covered by claim numbers: as all searchable claims could be searched without effort justifying an additional fee, the international not invite payment of any additional fee. on protest the additional search fees were accompanied by applicant's protest.	al search report covers

International Application No. PCT/US92/01383
